Re: Smith/Sirinakis v. Village of Port
Chester, et al.
Docket No. 08 Civ. 3033 (SCR)
Our File No. 07-227

Dear Magistrate Judge Yanthis:

As Your Honor directed at the August 21, 2008 conference:

(1) I have been advised by the Port Chester Police Department that the selection process for Police Officer in the Village of Port Chester, administered by Westchester County, does not include psychological testing.

(2) Enclosed, for *in camera* inspection, please find:

a. Plaintiff's personnel file (denoted as "Document Group A). It does not contain anything relevant to the above-referenced lawsuit;

b. Self-explanatory documents (denoted as "Document Group B) that very remotely pertain to plaintiff. They, too, are not relevant to the above-referenced lawsuit

the Court has carefully reviewed in camera the records referenced herein. None of said records are relevant and not subject to discovery. 9/13/08
